### **BOOK PUBLICATIONS**

**Thanuj International publishers** publishes various fields of Biological sciences, Life sciences, Health Sciences, Agricultural Sciences, Arts and Humanities, field of Computer world and Engineering Sciences and many more. Our publications are available in online and also printed form of Books.

#### **ISBN**

ISBN stands for International Standard Book Number which is a 13 digit universal identification number essential for any text-based, non-serial publication like a book, novel, anthology or non-fictional composition. An ISBN increases the availability of your book to your readers and improves popularity and impacts sales. We will help you obtain the ISBN number.

#### **Copyright**

Publishing with our Publishers Books require the author to sign over the copyright to the publisher. You as the author and Publishers retain the full right to sell and distribute your work.

#### **Global distribution channel**

Publication with our Publishers ensures a global distribution through own and partner websites in case of online supply.

#### **Royalty**

One of the many benefits of self-publishing is that you are entitled to receive the profit from selling your book.

### **Print on demand**

A room full of unsold books can be intimidating and heavy on your nerves. Do not let your creation pile on your frustration. Switch to Print on demand and get the exact number of copies delivered as and when required.

### **Get the best of both worlds**

Many of us who grew up reading books love the experience of holding a book but nowadays many readers fancy reading eBooks as they are accessible from their smart device. At Thanuj Publishers books, you may choose to publish in digital form as well as in printed version and cater to your readers' whims.

### **Holistic marketing support**

We provide overall marketing support to build a strong author portfolio.
